

Irish Concrete Society 33rd Annual Award Entries

No	Title	Client	Architect	Engineer	Contractor	Major Supplier
Infrastructural Category						
1	Corrib Gas Tunnel	Sepil		Shay Murtagh Precast	BAM Contractors / Wayss & Freytag JV	Shay Murtagh Precast
2	Mount Lucas Wind Farm	Bord na Móna Energy		Fröhling & Rathjen GmbH	P J Carey (Contractors)	Kilsaran / Mattest
3	Footbridge, Tullamore	Tullamore Town Council		Roughan & O'Donovan	SIAC Construction	Banagher Precast Concrete
4	N40 Bandon / Sarsfield Flyover, Cork	Cork City Council		RPS Consulting Engineers	SIAC Construction	Roadstone / Banagher Precast Concrete
5	Rosie Hackett Bridge, Dublin	Dublin City Council	Seán Harrington Architects	Roughan & O'Donovan	Graham Construction	CEMEX
6	Trinity 110kv Sub-Station	ESB Networks		ESB International	Walls Construction	Kilsaran / O'Reilly Concrete
7	Aghnaguig Bog Bridge, Co. Cavan	Cavan County Council / NRA		Ferrovial Agroman, Madrid / Roughan & O'Donovan	Ferrovial Agroman Ireland	QUINN Building Products / Tecpresa / Mattest
8	FlexiArch Bridge	DRD Roads Service (NI)		Macrete Ireland	McCallan Bros.	Macrete Ireland

Elemental Category						
1	Mater Misericordiae University Hospital - Precast Facade Elements	Mater Misericordiae University Hospital	Scott Tallon Walker Architects	ARUP	John Sisk and Son	Techrete
2	Grangegorman - Structure 8 Glass Box	Dublin Institute of Technology	Taylor Architects	ARUP	J. J. Rhatigan and Company	Banagher Precast Concrete
3	Mount Anville Outdoor Learning Facility	Mount Anvil School	Paul O'Toole Architects	Banagher Precast Concrete	Merrion Contracting	Banagher Precast Concrete
4	Polished Concrete Floor	Whelehan Wines	Plus Architecture		Bretland Construction	Kilsaran / Renobuild Ireland
5	Polished Concrete Countertop	Davey Davey Barbers	Georgina Hutton & Associates	Dunbar Lunn Consulting Engineers	Parson Building Services	Renobuild Ireland
6	Warehouse X	Confidential		ARUP	Collen Construction	Keating & Doyle / Curtis Concrete Solutions / Kilsaran
7	Tudor Road Extension	Eddie and Judy Doyle	OC Architects & Design	DBA Consulting Engineers	Michael McMahon Building Contractors	Kilsaran
8	St. Patrick's Park Civic Table	Dublin City Council	TAKA Architects	Casey O'Rourke Associates	Townlink Construction	Uniqrete
9	Mardyke Gardens Pavilion Bandstand	Cork City Council	Cunnane Stratton Reynolds	Punch Consulting Engineers	Cumnor Construction	Roadstone
10	Sanford House	Antoin Conroy & Sheenagh Egan	Darmody Architecture	Casey O'Rourke Associates	Antoin Conroy	Kilsaran / Rathcaled Developments
11	Morehampton Rd. House	Deirdre and Peter Morgan	ODOS Architects	Casey O'Rourke Associates	Principal Construction	Kilsaran

Building Category						
1	Merrion Cricket Pavilion	Merrion Cricket Club	TAKA Architects	Casey O'Rourke Associates	M & P Construction	Admore Group / Kilsaran
2	Blackrock Further Education Institute / Carnegie Library	Dublin and Dun Laoghaire Education and Training Board	McCullough Mulvin Architects	Horganlynn	Collen Construction	Admore Group / Kilsaran
3	UCD Science Centre, Phase 2	University College Dublin, Belfield	RKD Architects	ARUP	John Sisk and Son	Banagher Precast Concrete
4	Sligo Racecourse	County Sligo Races	Rhatigan Architects	CST Group Consulting Engineers	Kilcawley Construction	Banagher Precast Concrete
5	National Film Studios	Institute of Art, Design and Technology Dun-Laoghaire	ABK Architects	PUNCH Consulting Engineers	Collen Construction	Kilsaran
6	Life Course Studies Building, NUIG	National University of Ireland, Galway	Simon J Kelly & Partners	ARUP	Oran Pre-Cast	Oran Pre-Cast
7	Clissmann Horse Caravan Base	Dieter and Neasa Clissmann	GKMP Architects	David Maher & Associates	Mordaunt Construction	Kilsaran
8	Athlone Community College	Athlone Community College	McGarry Ni Éanaigh Architects	PUNCH Consulting Engineers	BAM Contractors	Oran Pre-Cast
9	Passive Design + Build	Private	Circa Design		Circa Design Construction	Delaney Concrete

Sean deCourcy Award			
Student	College	Project Title	
1	Ted McKenna	University College Dublin	Limit state characteristics of GGBS concrete in fire
2	Evan Causer	Cork Institute of Technology	The behaviour of connections in segmental precast concrete pile systems
3	Daniel King	National University of Ireland, Galway	Investigating the structural performance of precast concrete structural elements through in situ measurements and numerical modelling
4	Andrew Lacey	Dublin Institute of Technology	Modelling multiple mode deterioration mechanisms in concrete
5	Roy Belton	Trinity College, Dublin	The rheological characteristics of steel fibre reinforced self-compacting concrete with PFA and GGBS

International Award sponsored by Enterprise Ireland			
Project	Irish Company	Location	
1	University of Greenwich, Library and School of Architecture	Heneghan Peng Architects	London
2	Scottish Crime Campus	Techrete	North Lanarkshire
3	Flintshire Bridge 400kv Converter Station Transformer Walls	John Sisk & Son	North Wales
4	The Gateway, Lincoln	Flood Precast	Lincoln
5	St. Peter's Square	Techrete	Manchester
6	One Pancras Square - Gridiron	Techrete	London
7	Two Pancras Square	Techrete	London
8	Gravesend Railway Station	Banagher Precast Concrete	Kent
9	VW Brentford	Banagher Precast Concrete	Brentford
10	Reading Elevated Platform Viaduct	Shay Murtagh Precast	Reading
