

## Concrete Society Golf Tournament

On the 27<sup>th</sup> of June 2018 members from the Irish Concrete Society and The Concrete Society Northern Ireland Region attended Luttrellstown Castle Golf Resort for the Annual Concrete Society Golf Tournament. The revised format was well received and it is hoped that the event will continue to go from strength to strength.

The competition was based on individual scores with prizes for first, second and third places.

3<sup>rd</sup> place – Michael Barry of Roadstone.  
35 points – on a countback with 20 on the back nine.  
Playing off a handicap of 22.

2<sup>nd</sup> place – Mr Darren McMillan of Lagan Products.  
38 points - playing off a handicap of 15.

The winner of the JKC trophy in 1<sup>st</sup> place was Mr Eamonn Morrissey of Collen Construction.  
41 points playing off a handicap of 9. A great round which included 3 birdies.

Thanks to all those who attended and making this a great event.
