

EVENING LECTURE

Precast Innovation

In this lecture, Mr. Ciaran Murtagh, Managing Director, Shay Murtagh Precast, will present details of recent innovations in the precast concrete industry and the role of innovation in contributing to the successful completion of some of the largest and most complex infrastructure projects in Ireland and the UK in recent years. This lecture will be of interest to all practising engineers and engineering students with an interest in large scale infrastructure projects. Attendance is highly recommended.

6.30pm, Tuesday 11th October, 2016
DIT, Bolton Street, Dublin

Complimentary Light Refreshments from 6pm
