# The Concrete Ticket

A half-day course providing guidance on the correct handling, finishing, curing and ordering of concrete for construction.

*Pass the multiple choice question test to receive the concrete ticket card.*

**concrete**  
**T**icket

## What is the Concrete Ticket?

This course provides education and guidance on the correct handling, finishing, curing, ordering and delivery of readymixed concrete for construction. It also provides essential information on concrete materials and properties. If successful in the test you will receive a photo based card which is valid for 5 years.

## Who should attend?

This course is for all who are responsible for **receiving, transporting, placing and finishing concrete** after its arrival on site.

The course will also be of benefit to those who transport ready-mixed concrete and to those who receive orders and dispatch the concrete.

## What are the benefits?

Participants taking this course and passing the **test** can formally demonstrate training, knowledge of and a level of competency in site workmanship, as required by standards.

## What's in the course?

The content is broken into 4 parts:

**Part 1** - Materials, Properties and Reinforcement.

**Part 2** - Ordering, Production, Delivery and Formwork.

**Part 3** - Placing, Compacting and Finishing.

**Part 4** - Curing, Protection and Joints.

**Followed by multiple choice question test**

## Who runs the course?

The course is run by Irish Concrete Society approved Trainers, who are responsible for all aspects of course delivery on the day.
