

*Irish Concrete Society & The Concrete Society Northern Ireland Region*

## **Joint visit to Rose Fitzgerald Kennedy Bridge**

**23rd & 24th September 2022 | Ferrycarrig Hotel, Wexford**

## Annual joint weekend of the Irish Concrete Society and the Concrete Society Northern Ireland Region

**23<sup>rd</sup> & 24<sup>th</sup> September 2022 | Ferrycarrig Hotel, Wexford**

*This year we will visit Rose Fitzgerald Kennedy Bridge, the longest post-tensioned all concrete extradosed spans in the world. Our hotel for the weekend will be the Ferrycarrig Hotel, a renowned 4-star hotel which provides stunning views across the Slaney River in one of Ireland's most inspiring locations. Dinner on Friday evening will be held in their award winning Reeds restaurant.*

*A technical presentation on the design and construction of the bridge has been arranged prior to our visit on Saturday morning.*

*The hotel accommodation rate is €170 single / €190 double per night including breakfast. Further information is available from <https://www.ferrycarrighotel.ie/>. Please book rooms directly with the hotel quoting 'Concrete Society event'. There are a limited number of rooms available and these will be allocated on a 'first come, first served' basis. In order to facilitate planning of the various events please confirm your attendance by **Monday 5<sup>th</sup> September 2022.***

*We look forward to members and their partners joining us at this event.*
