Education

The Concrete Ticket

An online course providing guidance on the correct handling, finishing, curing and ordering of concrete for construction.

Pass the multiple choice question test to receive the concrete ticket certificate.

concrete
Ticket

What is the Concrete Ticket?

This course provides education and guidance on the correct handling, finishing, curing, ordering and delivery of ready-mixed concrete for construction.

It also provides essential information on concrete materials and properties.

Successful candidates will receive the Concrete Ticket certificate, which is valid for 5 years.

Who should attend?

This course is for all who are responsible for **receiving, transporting, placing and finishing concrete** after its arrival on site.

The course will also be of benefit to those who transport ready-mixed concrete and to those who receive orders and dispatch the concrete.

What are the benefits?

Participants that take this course and pass the **test** can formally demonstrate training, knowledge of and a level of competency in site workmanship, as required by standards.

What is in the course?

The content is presented in 4 parts:

Part 1 - Materials, Properties and Reinforcement.

Part 2 - Ordering, Production, Delivery and Formwork.

Part 3 - Placing, Compacting and Finishing.

Part 4 - Curing, Protection and Joints.

Each part is followed by a multiple choice question test

Who runs the course?

The course is provided by the Irish Concrete Society and was developed by academic and industry experts.

Duration: The course takes approximately 2 hours to complete. The course can be accessed at any time and is designed to be completed in your own time.
