

Architects Individual Membership 2018/2019

The Irish Concrete Society is a not for profit learned society founded in 1973 to promote excellence in the use of concrete in Ireland. It is a cross-sectorial, independent, impartial, science and engineering based organisation. The Society holds regular CPD seminars and lectures to help with the technical aspects of concrete and hosts its prestigious Annual Awards, which has been held annually for over 30 years.

Architects Individual Membership Benefits

- Yearly copy of OpusC yearbook - Concrete Architecture & Design,
- Phone support from Executive Officer,
- Preferential rates for all technical seminars and training courses,
- Information on concrete related issues through lectures and site visits,
- UK concrete society email news alerts including Irish Concrete Society news emails,
- Opportunities to network with professionals and specialists throughout the concrete supply chain.
